A MESSAGE FROM OUR *Associate Pastor*

FR. DON WOZNICKI
ASSOCIATE PASTOR

HELLO FELLOW PILGRIMS IN CHRIST JESUS,

In my second month at St Mary of the Lake (SML) and Our Lady of Lourdes (OLL), it has been a great joy to reconnect with old friends and meet new ones. I look forward to meeting more of you as we share in our voyage to the promise land!

This month is the Feast of the Assumption of Mary (August 15th) – How might this Feast be a guide to us, SML and OLL, as we continue our new voyage together, navigating the waters ahead as one local pilgrim church?

We have challenges ahead in this voyage together. It will take much work and wisdom in how we navigate these waters. Our human limitations can create great anxieties in how, and if, we can deal with these challenges. I mean, as a familiar phrase says, “**We are only human.**”

Even with these challenges ahead, the faith communities of SML and OLL, both blessed under the great patroness of Mary, the Mother of God, can calmly turn to her as our “**Star of the Sea**” to guide us.

On the Assumption of Mary, we celebrate her human body and soul

(preserved from the stain of sin to become the Mother of God – “The Ark of the New Covenant”) assumed in a glorified state into heaven at the end of her earthly life. Mary, who is human like us, represents the purified Church, presented on the Day of the Lord. The Feast of the Assumption of Mary gives us, the pilgrim church (though **we are only human**), hope of also being risen with glorified bodies – but we must stay in the ark (The Body of Christ with the intercessory help of Mary) to benefit from this grace.

There are great challenges ahead for the two faith bodies of SML and OLL in coming together as one body in faith. Various ministries and relationships have been flowing along like currents that will need to come together into one wave of the Holy Spirit. There might be much physical, intellectual, emotional, and spiritual challenges placed on us – But we will need to keep in mind, “we are only human” to effectively meet these challenges.

And therefore, may we also keep in mind that with our common patroness, Mary, the Mother of God, as our Star of the Sea, we can and will, together in One Ark, rise above those human limitations to

BECOME the Body of Christ God is calling us to be - AND to BE the Body of Christ to so many souls left stranded, feeling lost and sick and alone, out in the treacherous seas of Ravenswood and Buena Park.

May each of us allow The Mother of God, in turning to her intercession and emulating her humble surrender to God’s will, lead the way in bringing our two faith bodies, SML and OLL, who are only human, into ONE Body of Christ for the greater glory of God in Ravenswood and Buena Park.

LITURGY & *Prayer*

CONNOR FORD
MUSIC MINISTRY COORDINATOR

THE GATHERING: MASS

Have you ever wondered to yourself, why is a common pattern of gathering and sending forth at mass. Now, extrapolate that same logic to your family or work gatherings. What do all human gatherings have in common? What are the main themes? The four common themes that are present at gatherings are: gathering together, sharing stories, sharing a meal, sending forth with a sense of change from the gathering. Now let's put this in the context of the mass. These themes of gathering and sending forth have a strong parallel to the way that our liturgy is structured.

In a formulaic sense parallels are as follows:

Gathering Together = Opening Rites

Drawn out further, the opening rites mirror that of the "gathering together". The opening song, allows for the congregation to foster unity through music, accompany the procession to the front of the altar, introduce the liturgical time, and open the celebration. We then sign ourselves with the sign of the cross, ask for God's mercy with the Penitential Act, and then sing God's praise with the Gloria. The Opening Rites are then concluded with the Collect which is prayed in the name of the Holy Trinity.

Sharing Stories = Liturgy of the Word

As we begin the Liturgy of the Word, we are welcomed by silence. Much like the awkward part of a gathering where people aren't really sure what to talk about. Then the First Reading from the Old Testament is read. This brings the first common theme to table that

can be furthered discussed throughout are celebration. It is the starting discussion point. We then sing the psalm, which we know serves as a traditional period between the First Reading and the Second Reading. The Second Reading comes from the New Testament - on the weekday's this reading is omitted. Following the Second Reading we then sing the Gospel Acclamation, which is usually an Alleluia. However, during Lent a different text is used. If a Sequence is sung it comes before the Alleluia; the Sequence is usually sung on Easter, Pentecost, and Corpus Christi. The verse that accompanies this acclamation contains the heart of the Gospel reading in a paraphrase. It's almost like the family member that tells the best short stories before that really annoying family member tells a long story: in our case the Gospel Reading. The presider then has a continuing discussing with a homily that should unite the common themes of the biblical stories that were shared. Following this continuing discussion we profess our faith with the Creed. When then unite again as we pray the Prayers of the Faithful, which conclude the Liturgy of the Word.

Sharing a Meal = Liturgy of the Eucharist

As we move into the Liturgy of the Eucharist, we prepare the gifts and prepare the altar for the feast. Much like a family or group of people would do at a gathering. Usually there is a song that drives home the main point of the Liturgy of the Word, or focuses on a Social Justice issue. The priest then says a Prayer over the Offerings, then he begins the Eucharist Prayer. At mass we are familiar with the Eucharistic Acclamations that serve an integral role in this prayer; however, they are not the only portion

to this segment of the Liturgy. They are the Sanctus, the Memorial Acclamation, and the Great Amen. Most often, composers will use the same themes when composing these pieces of music as they really are one large prayer. We then share the meal together with the Communion Rite. We say "grace" with the Lord's Prayer, offer the sign of peace, celebration the Fraction of the Bread, and then we process to the table as we sing the Communion Song. Concluding this rite is the Prayer after Communion.

Going Out Changed by the Encounter = Concluding Rites

Lastly, we share announcements regarding parish life, the presider facilitates the Final Blessing and Dismissal, and then we recess out of the church typically with a song. Usually, we would gather again as a community on the plaza after mass to discuss and share our encounter. Much like you would with more immediate family members or close coworkers after your formal gathering.

OUTREACH & Justice

PAMELA MATAMBANADZO
SOCIETY OF ST. VINCENT DE PAUL

WHAT IS THE SOCIETY OF SVDP?

I would like to thank Fr. Manny (our Pastor) for allowing us this space to share with you about the Society of St. Vincent de Paul.

A number of you are aware of the work we have been doing at Saint Mary of the Lake, both those new to the parish and also Our Lady of Lourdes, parishioners but as we emerge from the pandemic and with the growth, we thought this is a good time to tell you about not only who we are but also what we do.

The Society of St. Vincent de Paul is a Catholic lay organization that helps those in need or those living in poverty. We grow spiritually by offering person-to-person service to our friends in need.

Because we see “the face of Christ” in those we serve as Jesus taught us ‘whatever you do to the least of my brothers and sisters you do to me.’

The Society of St. Vincent de Paul is an international organization founded in 1833 in Paris, France by a young student, Frederic Ozanam, and six companions. The first Conference of the Society in the United States was started in 1845. The Society is currently located in more than 150 countries.

Today, the call to serve those who are living in need is very great, even in our own parish. During the pandemic, as with everyone else, we had to adjust how we serve. No form of charity is foreign to the society; from food to help with rent or utilities, we have programs to help people move out of poverty.

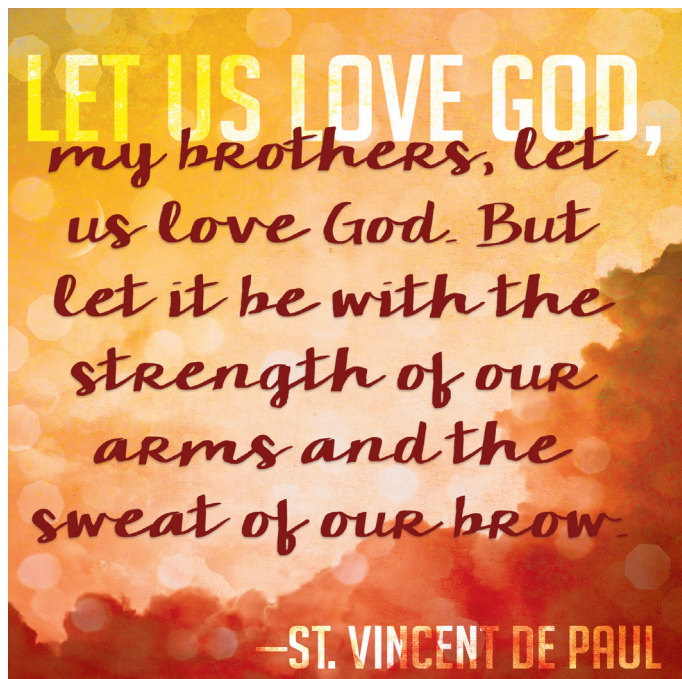

Our Conference is a small group of dedicated women and men of diverse cultures who are inviting you to consider joining us in making a difference. The Society is open to members of all age groups and ethnicities. In order to serve people effectively, it is important to be able to connect with them culturally and in their own language. Not only will you be helping

those in need, but you will also find yourself growing in God’s love and the desire to share that love with others.

Thank you for your past generosity you that have shown to the works of the Society through your financial and material donations to our work. We pray that we can continue to grow together in our service to the vulnerable among us.

In his latest book, “Let Us Dream: The Path to a Better Future” Pope Francis refers to the pandemic as our “Noah moment”. He tells us that there is good news as an ark awaits us to take us to a new tomorrow. Together let us dream and work towards a better tomorrow.

DO YOU FEEL A DESIRE TO BECOME CATHOLIC?

Registration is Now Open for The Rite of Catholic Initiation for Adults (R.C.I.A.)

Classes Begin September 15th

Each year we are blessed with several individuals who desire to enter and learn more about the Catholic faith. The RCIA program is the study of the Catholic Faith and the process of introduction into the faith community.

This class is offered for adults in three situations:

1. Un-baptized adults who desire to be baptized in the Catholic Church.
2. Baptized non-Catholic Christians who desire to be formally admitted into communion with the Catholic Church.
3. Baptized Catholics who have not yet been confirmed and desire to receive the Sacrament of Confirmation at St. Mary of the Lake and Our Lady of Lourdes Parish

Adult baptism (and if applicable, Confirmation and First Holy Communion) takes place at the Easter Vigil (Evening before Easter Sunday). It is considered one of the highest celebrations in the Catholic Church's liturgical year!

The class will meet every Wednesday evening (7pm-8:30pm) beginning September 15th with our R.C.I.A. parish team led by Fr. Don Woznicki.

*The first two months is an inquiry period, called The Precatechumenate, which introduces the class to what Catholics believe. If after that time one still desires to be Catholic, they are welcomed into **The Period of the Catechumenate** from which they continue preparations to be welcomed into full communion with the Catholic Church at the Easter Vigil (April 16, 2022).*

If you or someone you know is interested in taking the class, please contact Fr. Don Woznicki at dwoznicki@saintmarys.org for more information and to register, or call the parish office at 773-280-7700.
